Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle.

The first \$2,800 of each contribution from an individual and the first \$5,000 from a multicandidate committee ("PAC") will be allocated to Warnock for Georgia and will be designated to the special general runoff election. The next \$10,000 of each contribution from an individual and the next \$5,000 from a PAC will be allocated to the Georgia Federal Elections Committee.

A contributor may designate his or her contribution for a particular participant.
The allocation formula above may change if following it would result in an excessive contribution.

Paid for by Warnock Victory Fund, a joint fundraising committee authorized Warnock for Georgia and the Georgia Federal Elections Committee.
