### FOR IMMEDIATE RELEASE

San Jose, CA -

The Santa Clara County Democratic Party released a statement expressing its gratitude to voters in Santa Clara County and throughout California for rejecting the wasteful and unnecessary Republican recall attempt. Grassroots activists played a key role in achieving this victory, including 500 Santa Clara County Democrats who served as Neighborhood Captains, each reaching 100 households in their own neighborhood, representing collectively a total of 100,000 voters. Other volunteers called voters via remote phone banks conducted by the Santa Clara County Democratic Party, joining other volunteers throughout the state to place an estimated 2,000,000 calls to voters.

Santa Clara County Democratic Party Chair Bill James stated, "In rejecting this recall attempt, voters chose science, progress, decency, democracy, and leadership over fear, misinformation, and division." He added, "Thankfully, our Governor can now focus more fully on continuing to move California forward."

The Santa Clara County Democratic Party is the official Democratic Party body in Santa Clara County, California. The Santa Clara County Democratic Party represents and speaks for the Democratic Party in Santa Clara County and has sole authority to confer the Democratic Party endorsements in non-partisan elections wholly within Santa Clara County.
