

Statement from District Attorney Jeff Rosen regarding the Silicon Valley Association of Republican Women:

I have never sought the endorsement of the Silicon Valley Association of Republican Women (SVARW) nor did they ever reach out to me to fill out a questionnaire. I am sure if they had they would not have endorsed my candidacy as I am 100% pro-LGBTQ+ rights and 100% Pro-Choice. I received a 100% rating from Planned Parenthood. Any suggestion otherwise by SVARW or any other group or candidate is simply disinformation, which any interested parties should summarily ignore.
