

Statement Supporting UNITE HERE Local 19 and Workers on Strike at the Signia by Hilton Hotel in San José

The Santa Clara County Democratic Party supports UNITE HERE Local 19 and the workers they represent, including those on strike at the Signia by Hilton Hotel in San José. Every worker deserves fair wages and benefits, job security, a reasonable work schedule, and safe working conditions. One job should be enough!

We stand with the workers and call on the Signia and its parents and affiliates to negotiate in good faith to bring the dispute to a fair resolution. The workers stood by the hospitality industry through the pandemic and they've more than earned the right to a fair contract.

We are scheduled to hold our annual Democratic Victory Dinner at the Signia Hotel on Friday, September 13, 2024, but we will **never cross a picket line** or ask anyone else to do so. We will monitor the situation closely and will communicate with our sponsors and guests if the dispute is not resolved and necessitates any changes in our plans for our event.
