

STATEMENT OF THE SANTA CLARA COUNTY DEMOCRATIC PARTY REGARDING THE  
ALLEGATIONS AGAINST SAN JOSE CITY COUNCIL MEMBER OMAR TORRES

October 16, 2024

For Immediate Release

The Santa Clara County Democratic Party is deeply concerned by the alleged conduct attributed to San José City Council Member Omar Torres in the Statement of Probable Cause released last week. Members of the community rightly expect their elected representatives to adhere to the highest standards of behavior in their personal and professional lives. The message exchanges described in the Statement of Probable Cause do not meet that high standard. We call on those investigating the matter to conduct a full and transparent investigation and for all those found to have committed a crime to be held accountable.
