

STATEMENT OF THE SANTA CLARA COUNTY DEMOCRATIC PARTY ON THE  
ATTACK ON PEACEFUL DEMONSTRATORS IN BOULDER

June 4, 2025

The Jewish community in America has once again become the target of a horrific, antisemitic attack. As residents of Boulder, Colorado gathered to raise awareness for the hostages still being held captive in Gaza, the peacefulness of their assembly was shattered. Our thoughts and prayers are with all those impacted by this unconscionable act of terror, which comes on the heels of other recent acts of violence directed at Jewish Americans. Antisemitism and hate against anyone based on who they are have no place in our nation or anywhere throughout the world. We stand with the Jewish community today and always.
