

**Statement of the Santa Clara County Democratic Party Regarding the
Antisemitic Defacing of Campaign Signs of
State Senate Candidate David Cohn**

May 6, 2026

The Santa Clara County Democratic Party strongly condemns the recent antisemitic defacing of campaign signs of State Senate candidate David Cohen. Such acts of hate and intolerance have no place in our community or our democratic process. We stand firmly against all forms of antisemitism, bigotry, and intimidation that seek to undermine the values of inclusion and respect that our community upholds.

Although the Santa Clara County Democratic Party has not endorsed any candidate in this race, we are unequivocal in our support for a fair and respectful electoral process, where all candidates and their supporters are free from hate-fueled attacks. We urge our community to join us in denouncing antisemitism and in working together to foster a climate of respect and civility throughout this campaign and beyond.
